

Hazardous Waste Inventory

Name _____ Per. _____

Take a couple minutes to familiarize yourself with your Household Hazardous Waste Wheel. Then answer **3** of the following questions:

1. How would you dispose of motor oil?
2. What options do you have for flea collar or flea spray for your pet?
3. Identify two products that should not be poured on the ground.
4. Find a product that must be fully used before its disposal.
5. How should you dispose of left-over latex paint?
6. What alternatives do you have to using drain cleaners?
7. What's the worst product on the list?

Then make a list of the hazardous materials in your house:
